TFCU Earns CDFI Certification

The U.S. Treasury Department's Community Development Financial Institutions Fund recently certified TFCU as a Community Development Financial Institution (CDFI). This designation is available only to organizations that have proven they provide financial services and products in communities that historically have lacked access to traditional banking services. CDFI Certification is granted with the purpose of generating economic growth and opportunity in some of our nation's most distressed communities. TFCU is proud to serve as a CDFI, striving to make a difference in the lives of our members and in our community.
